

DAILY BEST

FOR CATS

- A complete multi-vitamin/mineral supplement with digestive enzymes for cats of all ages and breeds. **Daily Best** is specifically formulated with a full spectrum of balanced vitamins, minerals, amino acids, fatty acids, digestive enzymes, antioxidants, and other nutrients that work synergistically to maintain physical and mental well-being.
- **Provides over 40 synergistic nutrients including:**
 - A complete and balanced B complex including all 11 B Vitamins which are in their proper ratios.
 - Enteric coated digestive enzymes to support absorption and utilization of health building nutrients from the cat's diet.
 - Taurine supports ocular, neurological, reproductive, and cardiovascular health.
 - Contains Omega 3 and 6 fatty acids to support healthy skin and coat conditions.
 - New Zealand Green Mussel, a rich source of glycosaminoglycans (chondroitin 4 & 6 sulfates and hyaluronic acid) to support joint flexibility, mobility, and skin health; fatty acids (omega 3, 6, 9) to support joint health, immune system function, skin health, and regulate metabolic functions; amino acids to support the growth and development of all body tissues; glycoproteins to improve bladder health and support G.I. tract health; and many other naturally occurring nutrients beneficial to feline health.
 - Antioxidants (A, C, E, and Selenium) help support proper immune system function.
- **Daily Best** incorporates important nutrients essential for the health of cats, but which are not always found in cat food or ordinary supplements. No other feline multi-vitamin formula contains such a complete range of vital nutrients that are essential to the health of cats.
- Available in a very palatable beef liver flavored chewable tablet or liquid.

Directions For Use:

Chewable Tablets:

Adult Cat: Give 4 tablets daily, divided between AM and PM.

Kitten: Give 2 tablets daily, divided between AM and PM.

Liquid:

Adult Cat: 1 teaspoon daily.

Kitten: 1/2 teaspoon daily.

Daily Best

Beef Liver Flavored

0700560.010 (100 Chewable Tablets)

Chicken Liver Flavored

0700567.008 (250 ml (40 Serving) Liquid)

DAILY BEST FOR CATS

Guaranteed Analysis Represents Minimum Levels Per 4 Tablets/Teaspoon (5 ml):

Methionine	10 mg
Cystine	5 mg
Linoleic Acid (min)	25 mg
Calcium (0.83%)	50 mg
Phosphorus (0.42%)	25 mg
Potassium (0.004%)	0.25 mg
Magnesium (0.025%)	1.5 mg
Iron (250 ppm)	1.5 mg
Copper (5 ppm)	0.030 mg
Zinc (167 ppm)	1 mg
Iodine (6.7 ppm)	0.040 mg
Selenium (0.6 ppm)	0.0035 mg
Vitamin A	900 IU
Vitamin D3	50 IU
Vitamin E	5 IU
Thiamine (Vitamin B1)	2 mg
Riboflavin (Vitamin B2)	2 mg
Pantothenic Acid	5 mg
Niacin	5 mg
Pyridoxine (Vitamin B6)	2 mg
Folic Acid	0.002 mg
Biotin	0.002 mg
Vitamin B12	0.002 mg
Choline	5 mg
Taurine	200 mg
*Ascorbic Acid (Vitamin C)	20 mg
*Inositol	2 mg
*P-aminobenzoic Acid	2 mg
*Betaine Hydrochloride	10 mg
*Lecithin	5 mg
*Lipase (A. oryzae)	0.23 FIP Units ¹
*Pepsin (Pork)	4091 FCC Units ²
*Papain (Papaya)	2727 USP Units ³
*Bromelain (Pineapple)	0.82 GD Units ⁴
*Protease (A. oryzae)	0.136 HUT Units ⁵

* Not recognized as an essential nutrient by the AAFCO Cat Food Nutrient Profiles

This product contains sources of Pepsin, Papain, Bromelain and Protease (hydrolyzed proteins) and Lipase (hydrolyzes triglycerides).

Ingredients (Tablets): dehydrated beef liver, cellulose, taurine, calcium carbonate, monosodium phosphate, dried whole New Zealand green mussel¹, linoleic acid, magnesium gluconate, vegetable stearate, ascorbic acid, corn fiber, choline bitartrate, dried kelp (source of iodine), iron proteinate, zinc amino acid chelate, betaine hydrochloride, dl-methionine, silicon dioxide, d-calcium pantothenate, d-alpha tocopheryl acetate, niacinamide, cystine, lecithin, lipase (from aspergillus oryzae), thiamine mononitrate, riboflavin, pyridoxine hydrochloride, p-aminobenzoic acid, inositol, vitamin A acetate, sodium selenite, pepsin (pork stomach), papain (from papaya), bromelain (pineapple stem), protease (from aspergillus oryzae), potassium citrate, vitamin D3 supplement, copper gluconate, biotin, vitamin B12 supplement, folic acid.

Ingredients (Liquid): vegetable oil, dehydrated beef liver, chicken liver digest, lecithin, corn starch, maltodextrins, glycerin, taurine, calcium carbonate, monosodium phosphate, dried whole New Zealand green mussel¹, linoleic acid, ascorbic acid, d-alpha tocopheryl acetate, choline bitartrate, dl-methionine, betaine hydrochloride, dried kelp (source of iodine), xanthan gum, magnesium gluconate, iron proteinate, zinc amino acid chelate, d-calcium pantothenate, niacinamide, cystine, lipase (from aspergillus oryzae), thiamine mononitrate, riboflavin, pyridoxine hydrochloride, p-aminobenzoic acid, inositol, vitamin A acetate, pepsin (pork stomach), papain (from papaya), bromelain (pineapple stem), protease (from aspergillus oryzae), potassium citrate, vitamin D3 supplement, copper gluconate, vitamin B12 supplement, biotin, sodium selenite, folic acid.

¹One FIP unit of lipase activity will liberate the equivalent of 1umol fatty acid from olive oil per min of enzyme at 37 C and pH 9.0.

²One FCC Unit of pepsin activity digests 3000 times its own weight of coagulated egg albumen under standard conditions.

³One USP unit of protease activity will liberate 3.0 mg amino acids (from egg albumin)/min/mg of the enzyme under standard conditions.

⁴One GD unit of protease activity will liberate approximately 8.4 mg amino acids (from gelatin)/20 min/mg of enzyme at 45 C and pH 4.5.

⁵One HUT (Hemoglobin Unit on the Tyrosine basis) unit of papain activity will liberate in 1 minute at 40 C and pH 4.7 a hydrolysate whose absorbance at 275 nm is the same as that of a solution containing 1.10 ug/ML of tyrosine n 0.006 N hydrochloric acid.
