

DAILY CATCH

TREATS FOR DOGS

With Wild Alaskan Salmon Oil

A Supplement to Support a Healthy Coat

DAILY CATCH for Dogs is a natural source of Omega 3 and 6 fatty acids to support skin and coat health.

The Wild Alaskan Salmon is from fresh Alaskan waters.

DAILY CATCH can be used as motivational training treat.

BONE-SHAPED TREATS

Each **DAILY CATCH** treat is a bone-shaped, semi-moist treat that is easy to administer.

DAILY CATCH is very affordable and guaranteed for 100% palatability.

ABOUT THE FORMULA

- **Getting Omega-3 fatty acids from fish!**
- Supplies Omega 3 fatty acids in particular EPA and DHA - the right Omega-3 fatty acids for skin, coat, and the overall health of your dog. Your dog's metabolism uses these nutrients immediately without any need for conversion. Plant-based Omega-3 fatty acids must be converted by your dog's body prior to use. This conversion is very inefficient and may result in just a little of the fatty acids being actually metabolized.

Feeding Directions:

Feed as a treat to your dog.

Approximately 12 calories per 3.5-gram treat.

Guaranteed Analysis Per Treat:

Crude Protein (min)	26.5%
Crude Fat (min)	10.1%
Crude Fiber (max)	1.4%
Moisture	10.5%
*Omega 3 Fatty Acids (min 0.5%)	20 mg

*Not recognized as an essential nutrient by the AAFCO Dog Food Nutrient Profiles.

Ingredients: fish meal, brewers dried yeast, glycerin, potato starch, lecithin, wild Alaskan salmon oil, guar gum, natural salmon flavor, propionic acid (a preservative), mixed tocopherols (a preservative), maltodextrins, sodium alginate, calcium sulfate.
