

SILK Conditioner

FOR DOGS & CATS

SILK is a natural conditioner designed to reduce mats and static in all types of pets' coats while it moisturizes.

SILK reduces mats thus saving time, money, and pain for the pets.

SILK can be rinsed out or left in for maximum conditioning. Its excellent static control makes brush-outs and haircuts a breeze.

SILK leaves pets' coats healthy, full-bodied, and lustrous without weighing it down.

SILK is:

- Free of fillers, thickeners, harsh additives, oils, lanolins, and silicones.
- Biodegradable
- Environmentally Friendly
- Cruelty Free
- pH Balanced for Pets' Skin
- Safe for use on dogs, cats, puppies and kittens!
