Pet Naturals® of Vermont specializes in producing condition specific pet health supplements that are complete and properly balanced with potent ingredients for effective solutions to common pet health concerns. Pet Naturals® products are available in a delicious chew that all pets love!

The newly launched **P.H.D. (Pet Health Degree) program** educates retail associates on the features and benefits of Pet Naturals® supplements. Ask your favorite pet store if their associates have their P.H.D. from Pet Naturals®.

For more information about the products visit www.petnaturals.com
