

+ DAILY MULTI FOR DOGS

A MULTIVITAMIN/MINERAL SUPPLEMENT,
DELIVERED AS A TABLET.

WHY IT WORKS

- +** **Antioxidants** – Support optimal health
- +** **Vitamin B Complex** – Support for healthy eye function, energy production and more
- +** **Essential Minerals** – Supports the immune system, proper composition of body fluids and formation of red blood cells

DAILY MULTI FOR DOGS provides the added nutrients, vitamins and antioxidants that are often not found in traditional commercial dog foods. Formulated with a balance of amino acids, fish oil omegas and B vitamins, these tablets are designed to help maintain the overall physical well-being of your dog, no matter his size, age or breed. Our **DAILY MULTI** is also an excellent addition to homemade and raw diets offering comprehensive daily nutritional support for your dog.

DAILY MULTI FOR DOGS incorporates over 25 balanced ingredients including:

- +** Antioxidants (A, C, E and selenium) to fight free radical damage and support the immune system.
- +** A complete vitamin B complex to support proper mood, memory and cellular metabolism.
- +** EPA and DHA maintain health of skin and coat, and normal brain function.
- +** Vital minerals to support proper composition of body fluids, formation of red blood cells, bone structure support, and to help maintain healthy nerve function.
